Testing Team: Annie Scott, Erica Nash, Sabrina Binkley, Dr. Anne Hanley

### Guidelines for Testing

- The Spruce Tree Montessori School Testing Clinic is available for Spruce Tree students and staff and their families; walk in only.
  - Asymptomatic / screening tests use an antigen test. Asymptomatic positive antigen tests will be confirmed with a PCR test.
  - Symptomatic / close contact tests use PCR test.
- Exposure Testing** offered for all students\*\* in a cohort in which a child or teacher tests positive. Testing frequency or other re-entry/mitigation strategies during 5-day monitoring period to be determined by case details. Test results available within 15 minutes.
- Symptoms Testing\*** required\*\* after absence due to symptoms to return to school. Testing offered upon symptoms onset and/or if school requests early dismissal due to illness.
  - Option to isolate for 5 days if choose not to test. Isolation can end after Day 5 without testing and if no symptoms have been reported during daily monitoring.
- Day 5 Screening Testing** offered for classmates\*\* on day 5 after exposure.
- Screening Testing\*** for staff\*\* weekly, prior to student contact.
- Screening Testing** for students offered weekly.
  - Consent form required for all testing. Call 479-8733 to receive one via email.

Four-level COVID-19 alert system Calculated for boroughs & census areas	
Alert Level	Reported cases per 100,000 persons in the past 7 days
High (red)	≥100
Substantial (orange)	50-99.99
Moderate (yellow)	10-49.99
Low (blue)	0-9.99

Confidentiality of results and case details is a top priority and communication about positive cases and close contacts is timely. All positive and walk in PCR/antigen results will be reported to the State as required using the CDC's online reporting tool: SimpleReport.gov. Negative screening testing (weekly or day 5) results are not required to be reported to the State. Parents will be notified of a positive result immediately.

\* Effective during periods of high or substantial transmission according to the CDC Data Tracker, see below website.

\*\* Testing not required for those who have tested positive for Covid-19 in the past 90 days.
