

# Paint Our "Sock Rock" FAQ

"The hand is the instrument of the mind." - Dr. Maria Montessori

## Questions

- 📅 How long does my child's painted rock stay up?
  - Your painting will remain up until the next rental unless Spruce Tree reserves the rock (on non-birthday days) for a classroom, holiday, or event.
- ☔ What if it's raining on my rental day?
  - We recommend setting up one of those portable sports style tents, drying the rock with a beach towel, and then getting to work.
- ❄️ What about the freezing cold weather?
  - We will learn together best practices for painting in sub-zero temps. But! It's possible.
- 😞 What if I forget to paint the rock on my rental day?
  - Better luck next year!
- 🎨 What if I'm not that artistic and want help painting my child's message?
  - We are forming a **Parent Sock Rock Club** – parents who want to volunteer their artistic abilities to help you! The goal is that we'll have a group of parent volunteers who will be available to paint the rock for others. An additional \$50 donation will apply to cover paint supplies.

## Other Notes

- Rentals are \$25 per day non-refundable donations to the Friends of Spruce Tree Montessori, a 501c3 non-profit organization that grants student scholarships, supports teacher professional development, and helps with special projects aligned with our school mission. Thank you for your donation!
- Your donation will be added to your next invoice.
